

Wiring of ANY electrical item on a vessel should be done by a professional. We provide these wiring diagrams ONLY as a guide. If you are unsure or unable to properly install this item, we strongly recommend hiring a Marine Electrician.

Due to Liability issues, we are unable to provide ANY wiring instructions or trouble shooting advice over the phone, by text or by email.

Electrical parts such as, but not limited to solenoids, switches, circuit breakers and remote controls are not covered by warranty.

NOTE: Electrical product purchases are final. **NO RETURNS**

WARNING: MAKE SURE THE ELECTRICAL POWER IS SWITCHED **OFF** BEFORE WORKING WITH ELECTRIC CABLES
